

What do I do if I'm having trouble logging in to my X2Vol account?

If you forgot your password you will need to click on ***FORGOT MY PASSWORD*** on the x2vol.com log-in page. Ms. Bernabei does not have the ability to retrieve or reset passwords.

If you don't remember the email you used to set up your account you will need to call the x2vol help line at 866.906.6400. Don't be afraid to call. They are very friendly and helpful!

Remember, to set up your account you must use an email address that you can use to send and receive emails. **DO NOT USE** your st-bede.com email that you were issued to log into your SBA google account!
